

Pea Pods for Parties

24 pea pods (snow peas or snap peas), strings removed
 4 ounces cream cheese (lite is OK)
 1 1/2 tablespoons Major Gray mango chutney
 1/2 teaspoon curry powder
 2/3 cup chopped nuts (Usually salted peanuts, but almonds, pecans or honey-roasted peanuts also work well)

Combine cream cheese, mango chutney and curry. Dip end of pea pod in cheese mixture and roll in nuts.

If the cream cheese mixture is too thick, you may add a little milk to thin it out a bit.
