The evening of your appointment:

Please plan on meeting a member of the Wickham Farm's staff at our Main Barn on 1315 Sweets Corners Road. If you are scheduling **mini sessions** please ask your clients to meet you or your helper in our Main Barn. You or your helper will need to escort them into our sunflower field and out after each session. If your clients would like to stay to explore the sunflowers they must pay the admission fee of \$8 per person, which includes 2 U-pick sunflower buds. We appreciate your promptness finishing up by 8 PM.
